John Bartelt  
Bartelt Aviation  
Kirsh Municipal Airport  
Sturgis, Michigan

Dear John:

It was just a few weeks ago when I called you and said: "do you think you can sell an airplane in today's economy?" I remember your quick response: "If it's priced right we are selling airplanes." As it turned out my Lance sold a lot quicker than I thought it would. In the process I came to appreciate your attention to detail and how smooth all the different phases of the transaction progressed. Moving the airplane to your facility, the advertising, the demo flights, the pre-buy inspection, all the paperwork, all the financial arrangements, the escrow account, all the documents, all the signature pages, the distribution of funds, to the final delivery of the aircraft. All handled without a hitch. John it was a pleasure doing business with you and I would recommend Bartelt Aviation to anyone looking to sell or buy.

Sincerely,

Ray Wheeler
